I started my career with the USDA, ARS, ALARC in Maricopa, AZ on July 18, 2010 as the Secretary to Dr. Albert Clemmens (retired 2011), and currently for Dr. Steve Naranjo, Center Director. My duties encompass administrative support to the Center Director and admin staff. I also provide secretarial support to the Pest Management & Biocontrol Research Unit for Annual Reports, Performance Plans/Appraisals, 115 Publication entries, Foreign/Domestic Travel, reviewing RPES Case Write-ups, Hiring, AgLearn Administrator, Timekeeping, and Agreements.

Prior to joining the USDA, ARS I was an Administrative Professional IV (AP5) for 5 years with Booz Allen Hamilton, a consulting firm providing services to the military. I joined the United States Coast Guard on April 1, 1985 and continue to serve proudly with over 27 years under my belt. I am currently working on a Bachelors Degree in Homeland Security.

I was born and raised on a small farm in Windsor, VA. I have a wonderful daughter who lives in Beaumont, TX with her boyfriend and is currently working on her degree in Human Relations. I enjoy the outdoors, taking long rides on my Harley Davidson motorcycle, and working out at my local gym to stay fit and healthy.
